# ***Harbor Dance 2010 Summer Clinic Descriptions:***

***\*\*All clinics will hold a showcase the Friday of the last day of clinic for parent/friend viewing.***

**Joel Myers' Partnering clinic (June 30-July 3):** Open to upper level dancers, level 4 and higher. Our renowned classical and contemporary professional, Joel, along with his professional ballet staff, will teach the dancers how to do assisted turns, lifts, and choreography. Joel's exclusive clinic will likely fill up fast, so pre-registration is strongly recommended.

Cost per week: \$300.00

**Itty-Bitty Dance and Story-Book clinic (July 5-9th, and 26-30th):** Open to all of our young dancers, ages 3-6. Dancers will experience multiple forms of dance, including pre-ballet and creative movement. At our story book clinic, dancers will work on movement and combinations based on a fairy tale, as well as create props and costuming for the end-of-the week performance!

Cost per week: \$95.00

**Beginning Dance Clinic (July 5-9th):** Perfect for level 1 and 2 dancers, ages 6-10yrs. Dancers will work on honing basic positions, techniques, and movements in ballet, tap, and jazz. This is a wonderful opportunity for dancers who want to brush up on their work for Fall or who have had little to no dance experience.

Cost per week: \$115.00

**Intermediate Dance Clinic (July 19-23rd and August 9-13th):** This clinic is perfect for level 3 dancers, ages 8-12yrs. Dancers will work on advancing their basic knowledge and expanding their creative horizons at this clinic incorporating ballet and contemporary/jazz. These clinics are aimed at dancers who wish to advance not only in technique and ability, but also in terminology and creativity.

Cost per week: \$160.00

**Ballet 4/5 Technique and Variations clinic (July 12th-16th):** At this clinic, dancers will focus predominantly on technique, honing their abilities, and working on control. This is a perfect clinic for ALL dancers at this level, and highly recommended for those who will return or move up to ballet 4 or 5 in the Fall.

Cost per week: \$170.00

**Vocal/Musical Theatre clinic (August 2-6th):** This clinic is fantastic fun, and open to all dancers ages 7-18 years of age. Students will learn to sing and dance like the stars on Broadway! Expertise from Kathyanne Baumgartner, owner and master instructor of Harbor Voice, will pair with Simone to teach an amazing song and dance routine. This is an experience not to be forgotten!

Cost per week: \$170.00

**Ballet Company Clinic (August 16-20th and 23-27th):** This clinic will be STRONGLY ENCOURAGED to all ballet company members (to be announced later this year). This clinic will focus on choreography for the upcoming year, however barre and technique will be offered daily. If a member is unable to attend one or both of the weeks, they will likely be an understudy for the choreography learned during these weeks.

Cost per week: \$150.00

**Performing Group Clinic (August 16-20th and 23-27th):** This clinic will be required for anyone wishing to participate in our performing group for 2010-2011. Students will learn much of their choreography for the upcoming year, as well as technique and progressions in jazz, tap, and hip-hop.

Cost per week: \$170.00
